OUR TERMS

If a credit account is agreed then our credit terms are strictly 30 days from the date of invoice. By signing these terms and conditions you agree to any credit checks being carried out as required by ourselves. Any amounts outstanding after this may be levied with a 2% per month surcharge. Title to goods detailed in an invoice shall remain with Thatchreed Limited as full sole and absolute legal and equitable owner and shall not pass to you until we have received payment in full (in cash or cleared funds) for those goods and for any other goods that we have supplied to you.

Damaged or faulty goods will always be replaced however, we must ask you to telephone or email for a returns form and include it with your goods fully completed. Failure to include this means your credit will be delayed. We will arrange the collection from your premises.

DISCRETIONARY DISCOUNT

This applies to all Jack Pyke products. This scheme is constantly under review and may change without notice.

To qualify for your discount, you must adhere to the below trading terms:

- Order value is over the carriage paid terms
- You must physically hold our range in stock
- Products are not sold in a way that devalues our brand

SRP's

SRP's for branded goods are shown at the back of the catalogue. The SRP's for branded goods have been carefully considered to take into account market demands and value. We consider that our marketing profile is such that our goods do not need to be undersold at a price that may devalue our brand, whether this be via internet auction sites or otherwise.

IMPORTANT

- Exclusive distribution rights are in place for Amazon Worldwide, consequently this channel of selling is currently unavailable.
- We do not require any further distributors using eBay as their sole source of sales.
- All new account applicants should have either a physical shop or established independent website.
